

Help Keep Fall Creek Elementary School Open!

Due to budget cuts from Albany, the Ithaca Board of Education is investigating closure of Fall Creek Elementary School, currently serving kids in our community in grades Pre-K to K5. Our students would be bused to other schools and the building would become a dedicated Pre-K center to which Pre-K students would be bused from throughout the district.

While it is not clear how much saving, if any, would result from busing more than 220 Fall Creek students away from Fall Creek and busing more than 190 Pre-K students away from their home districts into Fall Creek, one thing is certain – our community school would be gone, and with it our sense of neighborhood unity. Of less importance but also sad to note, our unique playground hand built by Fall Creek parents with help and donations from local businesses and neighbors as a tangible symbol of the connection between our school and the local community could be removed, as it is not age appropriate for Pre-K children.

Attend an ICSD Board of Education Meeting
to voice your concerns to the Board directly.

Please don't let them close our school!

Board of Education Meetings
Board Room, ICSD Administration Building, 400 Lake Street, Ithaca, NY

Tuesday, February 9, 7:00 p.m., Discussion and Voting Meeting
Tuesday, March 9, 7:00 p.m., Discussion and Voting Meeting

Thanks for your help!
